Campus Accessibility Notice

Ongoing construction projects or street repairs may temporarily limit accessibility. The University encourages you to review the status of University construction projects at the [Facilities Services Campus Plan and Construction](http://facilities.uchicago.edu/construction/) site. (http://facilities.uchicago.edu/construction/)

Should you have any questions, concerns, or suggestions for improving accessibility on any of the route, please contact Facilities Services at (773) 834-1414.
